

Become a Sponsor of the Greater Haverhill Arts Association

<http://ghaa.art>

Since 1971 the Greater Haverhill Arts Association has provided artists and enthusiasts with a sense of community as well as opportunities to share their art with each other and the public. Our mission is to promote art and artists and to keep art integral to our lives and accessible and affordable for all. We offer twice-monthly workshops with two instructors, five demonstrations by noted professional artists, two major exhibits in collaboration with the Buttonwoods Museum, exhibits at the Haverhill Public Library and other area venues, and the annual Art Festival on the Bradford Common in September. We partner with Innovation Hub where Art Niche features a member artist. We also administer the Robert Gablosky Memorial Art Scholarship, given annually to a local graduate continuing in art education.

The GHAA welcomes sponsors: those persons or organizations that recognize the importance of fine arts in the region and wish to support the Association's efforts to foster and promote them. Our sponsors are recognized on our website (with a link to theirs), in our newsletters, and at all events. You can contribute using the online form and transaction process, or complete this form and send with your check payable to GHAA c/o Treasurer Joan Turner, 69 Farrwood Drive, Bradford MA 01835.

The GHAA is non-profit and all contributions are fully tax-deductible.
